DATE POSTED

? 03/01/2026

Practice Overview:

- Depth-oriented private practice focused on identity, embodiment, and emotional leadership
- Integrates IFS, attachment-based, and somatic approaches
- Sex-positive and queer-affirming clinical environment
- Fully remote telehealth model

Role Responsibilities:

- Provide virtual therapy sessions via telehealth
- Verify and maintain accurate clinical documentation
- Build and sustain a caseload with professional initiative
- Collaborate in weekly supervision and clinical development
- Represent the practice through professional presence and visibility

Required Qualifications:

- Licensed LMSW in New York and/or Florida
- Comfortable delivering therapy remotely
- Ability to work independently in virtual private practice
- Strong communication and clinical presence
- Open to feedback and ongoing professional growth

Ideal Candidate Profile:

- Early-career clinicians welcome, including recent graduates
- Interest in private practice career path
- Comfortable working with identity, intimacy, and embodiment themes
- Self-motivated and able to take initiative
- Confident in client-facing environments

What the Practice Offers:

- Weekly relational and somatic supervision
- Support toward earning clinical hours
- Flexible scheduling and caseload structure
- Remote-first infrastructure and onboarding support
- Opportunity to work with engaged, reflective clients
