clinical support. Applicants must live in Maryland and be available for at least 15 client sessions per week.

## **Key Responsibilities**

### **1. Therapy and Client Care**

- Provide individual and family therapy.
- Conduct couples and group therapy sessions.
- Support clients with different mental health needs.
- Use evidence-based treatment methods.
- Help clients work toward their treatment goals.

### **2. Assessment and Treatment Planning**

- Assess clients' mental health needs.
- Develop appropriate treatment plans.
- Track client progress.
- Maintain accurate clinical records.
- Complete documentation in the electronic health records system.

### **3. Professional Collaboration**

- Participate in weekly clinical consultations.
- Work with other clinicians and administrative staff.
- Communicate effectively with clients and colleagues.
- Take part in mentorship and professional development.
- Build knowledge in specialized treatment areas.

## **Required Qualifications**

- Master's degree in a relevant field.
- Active Maryland mental health license.
- Eligible license types include LGSW, LGMFT or LGPC at minimum.
- Experience providing mental health services.
- Knowledge of evidence-based interventions.
- Strong assessment and treatment planning skills.
- Good clinical documentation skills.
- Excellent communication and teamwork.
- Empathy and a client-centered approach.
- Ability to manage a caseload independently.
- Must reside in Maryland.
- Availability for at least 15 client sessions per week.

## **Preferred Qualifications**

- 1–2 years of direct clinical experience.
- Interest in anxiety disorders, OCD or trauma.
- Willingness to learn and develop new clinical skills.
- Interest in ongoing mentorship and consultation.

## **Full-Time Compensation and Benefits**

- Starting salary of \$65,000 for provisionally licensed clinicians.
- Starting salary of \$80,000 for fully licensed clinicians.
- Salary begins at 30 scheduled clients per week.
- W-2 employee status.
- Health benefits for eligible full-time clinicians working 30 hours.
- Two weeks of paid leave.
- Paid holidays.
- 401(k) retirement plan.
- 401(k) employer matching.
- Flexible scheduling.
- Professional development stipend.
- Billing and insurance credentialing support.
- Administrative support and marketing assistance.
- Website and Psychology Today profiles.
- Electronic health records system.
- Individual mentorship and weekly clinical consultation.

### **Part-Time Compensation and Benefits**

- Starting pay of \$45 per hour for provisionally licensed clinicians.
- Starting pay of \$55 per hour for fully licensed clinicians.
- W-2 employee status.
- Minimum of 15 client contacts per week.
- Paid supervision.
- Paid administrative time.
- Paid no-show sessions with certain limitations.
- Flexible scheduling.
- Professional development support.

### **Work Arrangement**

- The position is remote.
- Applicants must live in Maryland.
- Full-time remote work is subject to certain requirements.
- Full-time and part-time options are available.
