DESCRIPTION

Company: US AMR-Jones Lang LaSalle Americas, Inc. (JLL)

Position: MTS Solutions Manager

Industry: Commercial Real Estate, Facilities Management, Technical Services

Location: Remote – Chicago, IL or Indianapolis, IN (Work-from-home + On-site as required, up to 10% travel across US & Canada)

Employment Type: Full-time

Salary: \$90,000 – \$135,000 per year + 10% targeted annual bonus (Estimated compensation range: \$100,000 – \$150,000 per year depending on experience and location)

HR Contact: HRSCLeaves@jll.com

Key Responsibilities:

- Lead comprehensive RFP solution development by analyzing work order history, asset lists, and budget data
- Build detailed task-level estimates for preventive and reactive maintenance services
- Develop projected staffing models and routing plans for mobile technical services
- Create pricing formats, client templates, and participate in site tours and validation sessions
- Develop proforma profitability models and document cost savings with service line experts

Technical & Analytical Expertise:

- Analyze large data sets using Corrigo, Tableau, and advanced Excel modeling
- Normalize pricing assumptions using hands-on mechanical and operational knowledge
- Compile benchmarking data and fully document estimate assumptions and dependencies
- Create pricing exhibits during RFP, negotiation, and contracting phases
- Support estimating tool development and educate account teams on pricing models

Skills & Eligibility:

- Bachelor's degree in Business Administration, Finance, or Engineering
- Strong financial modeling skills with finance/accounting background
- 2+ years in mobile/routed services or pricing engineering + 5+ years real estate experience (engineering/technical services focus)
- Experience in route planning, logistics, and pricing strategy development
- Excellent communication, multi-project management ability, and strong attention to detail

Work Schedule:

- Monday to Friday, Day Shift
- Remote flexibility with up to 10% travel
- Must be authorized to work in the United States (No visa sponsorship provided)

Benefits & Perks:

- 401(k) with company matching contributions
- Comprehensive Medical, Dental & Vision coverage
- Paid parental leave at 100% salary
- Paid Time Off and Company Holidays
- Early wage access through Daily Pay
- Supportive culture focused on mental, physical, and emotional well-being

Additional Information:

- Equal Opportunity Employer committed to diversity and inclusion
- Background checks may apply per state/local laws
- Applications accepted on an ongoing basis until position is filled
