Key Responsibilities:

- Represent buyers, sellers, landlords, and tenants in residential and commercial transactions
- Advise clients on pricing strategies, marketing plans, and negotiations
- Assist investors in identifying and analyzing potential real estate opportunities
- Manage leasing activities including property showings, tenant screenings, and lease execution
- Prepare CMAs, contracts, and coordinate with lenders, inspectors, and title companies for smooth closings

Skills & Eligibility:

- Active Real Estate License (Required)
- Proven success in sales and/or leasing with closed transaction track record preferred
- Strong negotiation, communication, and relationship-building skills
- Knowledge of residential, commercial, and leasing practices
- Comfortable using CRM tools, Microsoft Office, and property management

software

Work Model:

- Fully Remote Position
- Flexible Schedule
- Self-managed business structure with team support

Benefits & Perks:

- 401(k) Plan
- Performance-Based Bonuses
- Flexible Work Schedule
- Professional Development & Training
- Opportunities for Advancement
- Company Events & Team Culture Activities

Growth Opportunities:

- Earn from residential sales, commercial sales, leasing, property management, and investor services
- Expand beyond traditional brokerage into multiple real estate sectors
- Access to established systems and business growth tools
